# Sketchmob

## **Soho At Night** **Wednesday 4 Nov 6.45 - 9.00**

You will find us at the South side of Soho Square at 6.45. We will sketch through Old Compton Street and side streets thereof. Bring a sketchbook and favourite drawing materials for a couple of hours sketching then a review of the work from about 8.45 to 9.00 near the *Coach and Horses Pub* 29 Greek Street. We will be drawing after dark so you may want to bring some dark papers and light pencils or pastels.

These are free events that happen once a month throughout the year; all welcome, all free. No previous experience needed.

We look forward to seeing you.
