The Wellcome Institute Thursday 21 Jan 6.30 - 9.00

The Wellcome Institute has three galleries that house a vivid collection of artefacts and instruments relating to the human body and medicine. Gathered from across the world, they have sculptural and graphic qualities that make them wonderful to draw.

Recommend tonal papers, coloured pencils, charcoal pencils and white conte. Turn up and draw and we will meet at 8.45 - 9.00 for review in the Wellcome cafe and bar. Restrictions exist on dusty materials and space will be tight so please consider others when you draw.

This is a drawing event that happens every month throughout the year in London. All welcome. **All free.**
