

# Sketchmob

with us at the mighty **BIG DRAW**

## Southwark Cathedral

Saturday 23 October 11.00-2.00

**BIG DRAW** is a national institution — bringing together like minded people across all ages, cultures and backgrounds.

The inspirational **Trevor Flynn (Sketchmob and Drawing At Work)** and the team of **Expert Drawers**, will be on hand to give tips, encouragement, and free materials to all sketchers.

Southwark Cathedral is a fantastic treasure, with architectural styles dating back from the 12th, 13th and 14th century up to the Victorian Gothic period.

There are great views, perfect for practising perspective, drawing shape, design and colour (magnificent stain glass windows) or people-watching.

### Walk and Draw free tour, 2.15

After drawing, make a day of it at the neighboring Borough Market or join the **Walk and Draw** free tour, from just inside the Cathedral's main door in the South Entrance, led by Guy Rowston, the Cathedral's architectural historian.
