The Wellcome Collection

Thursday 8 March 2012 6.30 - 9.00 pm

The Wellcome Collection is the showroom of the human body and its relation to medicine. It is one of the city's best known secrets. Three galleries house a vivid collection of artefacts documenting all forms of culture from across the world and across history ... fantastic things to draw. The Medicine Man Gallery is magnificent.

6.30 - 8.45 Meet the Mob and draw

8.45 - 9.00 Review

9.00 Local Bar - Mob leader on the night will advise.

Restrictions exist on dusty drawing materials and space will be tight so please consider others when you draw.
